Policy Information:

POLICY
EIT determines the support needs of individual learners and provides access to the educational and support services necessary for the individual learner to meet the requirements of the training product as specified in training packages or VET accredited courses.

SCOPE
This policy applies to all EIT’s VET Education Community

PROCEDURES
EIT will achieve this policy by:

- identifying any support that individual learners need prior to their enrolment and throughout the duration of training and assessment
- providing equitable access and support to individual learners throughout their training that may include, but is not limited to:
  o Language, Literacy and Numeracy (LLN) support;
  o Assistive technology;
  o Additional tutorials, and/or study support and study skills programs;
  o Mediation services or referrals to these services;
  o Flexible scheduling and delivery of training and assessment;
  o Student assistance services or advice to seek counseling
STUDENT SUPPORT POLICY

services where required;
  o Information and communication technology (ICT) support;
  o Learning materials in alternative formats, e.g. in large print;

• making clear to potential learners, prior to enrolment, any costs associated with the provision of additional support

• ensuring that if there are any limitations to the support we provide, it is contained in the information provided to potential learners

• providing identified support either directly or via arrangements with a third party

• providing equitable access to the amount of support necessary for each learner with regard to:
  o the learner’s existing skills, knowledge and experience
  o the mode of delivery
  o access to learning resources through Moodle to enable learners to meet the requirements of the course

• including it as an integral part of the induction process
• including it with all staff training manuals
• following the principles of fairness and flexibility in workplace assessment
• identifying any special needs of clients
  o on initial contact with EIT staff,
  o via questions included as part of forms
  o at orientation events and prior to the start of training and assessment.

• reporting to the next management meeting any training and assessment adjustments.
