** Discounts will be applied to the tuition fees for up to a maximum of 4 units in one semester/term. Discounts are applied to the amount and currency invoiced to the student.

Application Process

Future Student Scholarships

Complete and submit a [Future Student Scholarship Application Form](#) alongside your course application.

If you have already submitted your course application, you can still send in your Scholarship Application to: scholarships@eit.edu.au.

Cut-off date for scholarship applications is 1 month prior to the start date of the course.

Current Student Scholarships

Current student scholarships are awarded based on academic results of the previous teaching period and are selected by the EIT Scholarship panel when all results have been released.

Please do not let this stop you from applying. We can apply scholarships retrospectively and refund any difference in tuition fees due if you're successful.

Step 1: Complete the [Current Student Scholarship Application Form](#)

Step 2: Submit your application to scholarships@eit.edu.au no later than 3 weeks before the next semester/ term.

Please visit the scholarships page on our website eit.edu.au/how-to-apply/scholarships for more information on each scholarship and eligibility criteria.
