Policy Information:	
POLICY	EIT will manage the transition from superseded training products.
SCOPE	This policy applies to all VET staff and students
PROCEDURES	<p>EIT will achieve this policy by ensuring that:</p> <ul style="list-style-type: none"> all learners' training and assessment is completed and the relevant documentation is issued or learners are transferred into a replacement training product. the following time frames apply if the product is: <ul style="list-style-type: none"> Superseded – one year from the date of replacement being released on the National Register Non-current (not superseded) – two years from removal or deletion from National Register a skill set, unit of competency, accredited short course or module – one year from removal or deletion from the National Register. a new learner does not commence training and assessment in a training product that has been removed or deleted from the National Register. mapping the old qualifications to the new versions and conducting any required gap training for students that are transitioning keeping updated and timely records of which intakes are continuing through teach out periods or transitioning to updated qualifications the Training and Assessment Strategy for each course outlines the required action – transition/teach-out students are not enrolled in qualifications/courses that adversely affect their opportunities for employment, residency status and/or future study pathways timely and adequate advice and guidance is provided to students if the qualification or course in which they are enrolled is superseded/deleted/expired and ensure students are given the opportunity to transfer to the replacement Training Package qualifications, accredited courses or other currently endorsed Training Packages or accredited courses. the transfer of students is undertaken in collaboration between the student and EIT. Students must not be required to transfer to new Training Package qualifications or new accredited courses where the genuine disadvantage to them in doing so outweighs their continuing training in, and issuance with, a qualification or Statement of Attainment for a superseded or deleted Training Package qualification or superseded or expired accredited courses.
